Fitness Dom  
Nakhimovskiy prospect, 56  
117335 Moskau  
Russia

I am sending you this letter to let you know that Perform Better is offering an exclusive distributorship to Fitness Dom /Mfitness in Russia.

This would give Fitness Dom /Mfitness complete control to sell Perform Better products in Russia without having Perform Better sell to anyone there directly. This would include all internet orders as well.

Perform Better will offer Fitness Dom /Mfitness discounts for the items that they will be selling. Attached is a copy of the discounted prices that you will receive for the remainder of the 2026 calendar year. If any other products are needed, we can add those to the price sheet as well with the special discounted pricing.

Please do not hesitate to let me know if you have any questions or concerns with this.

Thank you,

Carlos Wharton
